Smrti Academy - An Innovative School

Smrti Academy is a CBSE school that commenced operations in June 2018. It has been set up by promoters who have been in Education for many years and they are also part of an NGO that educates millions of children across India.

Using the Competency Based Education Model, the School focusses on knowledge, skills, values and attitudes. A strong curriculum in academics and blending of academics and co-curricular activities ensure that children are able to connect what is there in the books to real life.

Smrti is set up by professionals who have diverse and combined experience of over 100 years in Education, Banking, Infrastructure and Shared Services.

Learning @ Smrti Academy

Foundation Stage School

The Foundational Stage covers Pre-Primary to 3rd Grade. Our Integrated Montessori Approach takes this stage up to 3rd Grade which is the logical point as regards Child Development.

Preparatory Stage School

The Preparatory Stage covers 4th and 5th Grades. In this Stage, Smrti Academy moves to an Activity Based Approach helping children grasp abstract concepts through activities.

Middle Stage School

The Middle Stage covers 6th to 8th Grades. In this Stage, Smrti Academy moves children towards abstract and self-learning.

Secondary Stage School

The Secondary Stage covers 9th to 12th Grades. The Secondary Stage places significantly extra demands on children in terms of being personally organized, time management and a more complex environment to deal with. In order to do this, Smrti prepares these young adults to become independent self-learners who will be the Change Leaders of the Future
